

A guide to downloading and using the Hertfordshire “50 Things To Do Before You’re 5” App.

Downloading the App

- Go to the Google Play or Apple Store App or scan the QR Code below.

The web version and download links can also be accessed at hertfordshire.50thingstodo.org

- Search '**50 Things to do**'; click 'get' or the 'cloud icon' to download the app and click 'Open' once it has downloaded.

- When you open the App for the first time you will see 3 pages to scroll through explaining features of the App.

- Select the region "**Hertfordshire**" and then add your postcode

- **Choosing an Activity**

- Scroll through the activities to see the activities available
- Click on the one you want to do to open the activity
- Click on the arrows to open up each section to learn more about the activity

- **Save memories of the activities**

- Click on 'Memories' at the bottom of the page
- Click on the + sign and choose where you want to take your photo from – either from your album or take a video or photo live. (You will need to allow the app to access your camera and camera roll.)
- You will then see your photo on the page (Please note: no one else can access this photo. Full Privacy Policy details for the app can be found at hertfordshire.50thingstodo.org/privacy-policy)

- **Marking an activity as completed**

- Once you have done an activity you can mark it as completed.

- Open the activity following the instructions above
- Click on the 3 dots and click mark as done
- When you return to the main activity page this activity will be shaded out with a green tick

Accessibility

You can customise your iPhone or Android device using its accessibility settings, this includes using a 'speak over' function in alternative languages.

For Apple devices:
