

Mental Objectives Year 2

FOCUS: NUMBERS TO 100

Year Two Recall

- Addition and subtraction facts to 20
 - Multiplication and division facts 2, 5 and 10 x tables
 - Multiplication facts for 3 x tables
 - Number of minutes in an hour; number of hours in a day
 - Coin recognition up to £2
 - Doubles to 20
-

Autumn 1

Read and write numbers to 100 in digits and words

Count on and back in 1s from any one or two-digit number to 100

Count on and back in multiples of 2, 5 and 10

Order a set of random numbers to 100

Recall addition and subtraction facts for each number up to 20

Recall doubles to 20

Recall halves of simple even numbers i.e. numbers in which the tens are even

Add a single digit number to any 2-digit number

Take away a single digit number from 2-digit number

Identify number patterns on number lines and hundred squares

Autumn 2

Read and write numbers to 100 in digits and words

Count on and back in 1s from any one or two-digit number to 100

Count on and back in multiples of 2, 5 and 10

Recall multiplication and division facts for 10x table

Order a set of random numbers to 100

Recall addition and subtraction facts for each number up to 20

Recall doubles to 20

Recall doubles of simple 2-digit numbers i.e. numbers in which the ones total less than 10

Recall halves of simple even numbers i.e. numbers in which the tens are even

Add a single digit number to any 2-digit number

Take away a single digit number from 2-digit number

Identify number patterns on number lines and hundred squares

Recognise coins to £2

Recall number of minutes in an hour and number of hours in a day

Spring 1

Read and write numbers to 100 in figures and words

Count on and back in 1s from any one or two-digit number to 100

Count on and back in multiples of 2, 5 and 10

Recall multiplication and division facts for 2x and 10x table

Count on and back in 10s from any number

Recognise odd and even numbers

Order a set of random numbers to 100

Recall addition and subtraction facts for each number up to 20, and related facts up to 100

Recall doubles to 20

Recall doubles of simple 2-digit numbers i.e. numbers in which the ones total less than 10

Recall halves of simple even numbers i.e. numbers in which the tens are even

Add a single digit number to any 2-digit number

Take away a single digit number from 2-digit number

Identify number patterns on number lines and hundred squares

Recognise coins to £2

Recall number of minutes in an hour and number of hours in a day

Spring 2

Read and write numbers to 100 in figures and words

Count on and back in 1s from any one or two-digit number

Count on and back in steps of 2, 3 and 5 from 0

Count on and back in 10s from any number

Recall multiplication and division facts for the 2x, 5x and 10x tables

Recognise odd and even numbers

Order a set of random numbers to 100

Recall addition and subtraction facts for each number up to 20, and related facts up to 100

Recall doubles to 20

Recall doubles of simple 2-digit numbers i.e. numbers in which the ones total less than 10

Recall halves of simple even numbers i.e. numbers in which the tens are even

Add a single digit number to any 2-digit number

Take away a single digit number from 2-digit number

Identify number patterns on number lines and hundred squares

Recognise coins to £2

Recall number of minutes in an hour and number of hours in a day

Summer 1

Read and write numbers to 100 in figures and words

Count on and back in 1s from any one or two-digit number

Count on and back in steps of 2, 3 and 5 from 0

Count on and back in 10s from any number

Recall multiplication and division facts for the 2x, 5x and 10x tables

Recall multiplication facts for 3x table

Recognise odd and even numbers

Order a set of random numbers to 100

Recall addition and subtraction facts for each number up to 20, and related facts up to 100

Recall doubles to 20

Recall doubles of simple 2-digit numbers i.e. numbers in which the ones total less than 10

Recall halves of simple even numbers i.e. numbers in which the tens are even

Add a single digit number to any 2-digit number

Take away a single digit number from 2-digit number

Identify number patterns on number lines and hundred squares

Recognise coins to £2

Recall number of minutes in an hour and number of hours in a day

Summer 2

Read and write numbers to 100 in figures and words

Count on and back in 1s from any one or two-digit number

Count on and back in steps of 2, 3 and 5 from 0

Count on and back in 10s from any number

Recall multiplication and division facts for the 2x, 5x and 10x tables

Recall multiplication facts for 3x table

Recognise odd and even numbers

Order a set of random numbers to 100

Recall addition and subtraction facts for each number up to 20, and related facts up to 100

Recall doubles to 20

Recall doubles of simple 2-digit numbers i.e. numbers in which the ones total less than 10

Recall halves of simple even numbers i.e. numbers in which the tens are even

Add a single digit number to any 2-digit number

Take away a single digit number from 2-digit number

Identify number patterns on number lines and hundred squares

Recognise coins to £2

Recall number of minutes in an hour and number of hours in a day
