

Friends of Mandeville Primary School PTA

Summer term Newsletter

We have had an incredibly busy and successful term at Mandeville Primary School. Events have included several lolly and tuck sales and a stall at the May Fayre. We had a really popular disco and also raised money to set up a garden for the children in early years. Thanks to a donation of a brand-new Wall's freezer, we were able to provide ice lollies at the recent sports day. We also sourced a washing machine to launder preloved uniform.

By far the biggest event of the year was Mandefest on 11th July. This raised an impressive **£3465.42**. We enjoyed a fabulous afternoon in the sun with live music, games, performances and plenty of food and drink. We were visited by the mayor.

We would like to say a huge thank you to 3 PTA committee members who are moving on from Mandeville, and wish them all the best in their new ventures. We will miss you!

We are really looking forward to the autumn term. This will include another disco, a stall at the High Wych scarecrow festival and our incredible Christmas Fayre, plus much more! Good luck to all the year 6 leavers! Have a lovely summer holiday everyone.
