Friends of Mandeville Primary School PTA

Spring term Newsletter

We have had such an amazing Spring term and raised an amazing **£5348.61.**
We started off with the children showing off their best dance moves at another successful disco. We would like to thank Premier League for two donations, including one specifically to fund SEND resources. Special thanks to two of the PTA committee members for their help at Fanny Galore Sawbo PTA fundraising event, resulting in an epic donation of £750 to us.
Another big thank you to Year 4, they made cakes and sold them after school as part of their PSHE lesson, giving their profits to the PTA. A huge well done and thank you to staff and pupils for your hard work doing the self portraits for our beautiful tea towels. We hope you've enjoyed the handmade popcorn sold at our popcorn sales and tuck shop. We have had positive feedback regarding the new Zeffy online payment system, and we will continue to move with the times to keep things easier and more efficient.
As a committee, we thank everyone for your ongoing support. Have a lovely Easter break, see you back at school Monday 13th April.

Just another **£630 is still needed** to reach our goal of £2750 to have a fifth item of equipment installed.
