Friends of Mandeville PTA

Meet the Committee

2026 - 2027

Leigh-Anne Lawrence
• Chair

Hello, my son is in year 1, and I joined the PTA when he started at Mandeville last academic year.
I also have two older children in secondary school. As a SEND mum, I feel really strongly about inclusivity. I really love being part of the PTA, raising much needed funds for school & running fun events for the children.

Rebecca Brown
• Secretary

I have children in year two and five. I've been a key part of the PTA since I joined the school. I used to be a teacher and I'm also a parent governor and volunteer. I love being part of the PTA committee!

Alina Volans
• Treasurer

Hello, my son is in Reception and I joined PTA last year. I also have a 1.5 year old boy.
There's nothing better than seeing the excitement on kids' faces at our events. Being able to contribute toward building a wonderful school environment makes every bit of effort worth it!

Nikki Lane
• Vice Treasurer

Hi, my daughter is in year 6 and I've been on the PTA since my eldest son joined Mandeville.
I really enjoy putting the school events together and seeing the positive impact they have on the children and families. It's lovely to know that we're raising much-needed funds for the school and there is plenty of laughter along the way x
